

Speaker 1

Dear Taiwo Owatemi,

We appreciate you're a person that is in the privileged position of having the power to make a change.

We've been inspired after seeing the positive impact you've made for our city so far, and so we came to you asking for help.

Speaker 2

Our goal is to raise awareness for the urgency we see in our rapidly changing climate.

We have come to you because your voice and actions have weight.

We urge you to consider how Coventry can be a pivotal city for the sustainable changes we hope to see in the UK.
